

## **ABM GARAGE (IN NORTHERN KY) SAVES \$39,000 PER YEAR FROM LED LIGHTING**

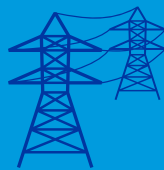

### **ABM GARAGE (IN NORTHERN KY) LIGHTING UPGRADES**

Donovan Energy performed a comprehensive energy savings lighting for the parking garage that serves both a large office complex as well as a full service hotel. The upgrade brought both energy savings and much improved light levels that helped to address some safety concerns given the high traffic nature of this garage. Footcandle levels increased by 50% and savings in excess of \$30,000 annually.

## **ANNUAL SAVINGS THE ENERGY SAVINGS MATTER**
