

COLERAIN TOWNSHIP SAVES THOUSANDS FROM LED LIGHTING

COLERAIN TOWNSHIP LIGHTING UPGRADES

Donovan Energy worked with the local government of Colerain Township to retrofit the lighting on a number of municipal buildings, saving the taxpayers of Colerain thousands of dollars per year while reducing emissions.

ANNUAL SAVINGS THE ENERGY SAVINGS MATTER

LED lighting is often the easiest energy conservation measure to complete in commercial buildings. Through our partnerships with leading LED lighting manufacturers and distributors, you can feel confident in an actionable plan that will cut your energy costs. Call us to set up a free assessment.
