

## **CINCINNATI ZOO SAVES \$31,000 PER YEAR FROM LED LIGHTING**

### **CINCINNATI ZOO LIGHTING UPGRADES**

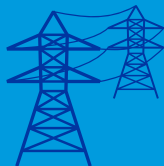

Donovan Energy provided a comprehensive lighting audit for the entire Cincinnati Zoo campus which includes 87 buildings and the exterior lighting on the grounds of the Zoo. Upon completion of the audit, our team evaluated the lighting infrastructure and completed a lighting upgrade to LED fixtures making the Cincinnati Zoo the first all-LED Zoo in America.

## **ANNUAL SAVINGS THE ENERGY SAVINGS MATTER**

**\$31,996**  
**ENERGY**

**457,090**  
**KWh**

**\$14,524**  
**MAINTENANCE**

LED lighting is often the easiest energy conservation measure to complete in commercial buildings. Through our partnerships with leading LED lighting manufacturers and distributors, you can feel confident in an actionable plan that will cut your energy costs. Call us to set up a free assessment.
