

## ARCHDIOCESE OF CINCINNATI SAVES ~\$8,000 PER YEAR

### ARCHDIOCESE OF CINCINNATI LIGHTING UPGRADES

Donovan Energy completed a building-wide lighting retrofit for the Archdiocese of Cincinnati's downtown headquarters building. The job included all interior lighting for both the Archdiocese occupied space and several tenant spaces.

## ANNUAL SAVINGS THE ENERGY SAVINGS MATTER

LED lighting is often the easiest energy conservation measure to complete in commercial buildings. Through our partnerships with leading LED lighting manufacturers and distributors, you can feel confident in an actionable plan that will cut your energy costs. Call us to set up a free assessment.
